FRAGGLE ROCK™

**“Every sunrise shows me
more and more,
so much to explore!”**

-Travelling Matt

According to Fraggles, anyplace beyond Fraggie Rock is considered “outer space” and Travelling Matt is the only Fraggie known to explore that strange world. He has learned all about “silly creatures” (human beings) and explored things like bubble gum, trampolines, clocks, and surfing. But there’s still so much more to learn!

**You can take Travelling Matt with
you and show him your world!**

Think about all the things you do in a day that you could teach to Travelling Matt – where you live, what you do, where you go, what you eat. What are your cultural traditions? Who is in your family? It’s all fascinating to Travelling Matt!

**Share your adventures with Travelling Matt
through photos and stories!**
